## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

### Purpose of Form

Use Form 8847 to claim the credit for qualified contributions made to selected community development corporations (CDCs).

### How the Credit Is Figured

The credit is figured over a 10-year credit period beginning with the tax year the qualified CDC contribution was made. The credit for each tax year in the credit period is 5% of the qualified CDC contribution (see below). The credit is part of the general business credit and is figured under section 13311 of the Revenue Reconciliation Act of 1993.

A **qualified CDC contribution** is any transfer of cash to a selected CDC before June 30, 1999, that is available for use by the CDC for at least 10 years and was designated by the CDC as a qualified contribution for purposes of the credit. Selected CDCs furnished each contributor a **Schedule A (Form 8847)**, Receipt for Contribution to a Selected Community Development Corporation (CDC), with Part I of Schedule A completed.

**Selected CDCs** were announced in HUD News Release No. 94-94, dated June 30, 1994.

## Specific Instructions

### Part I—Current Year Credit

#### S Corporations and Partnerships

S corporations and partnerships complete lines 1 through 4 to figure the credit to pass through to their partners or shareholders. Electing large partnerships include this credit in "general credits."

**Note:** *If your only CDC credit is from a partnership or S corporation, skip lines 1 and 2 and complete lines 3 and 4 and Part II (or Form 3800, if required).*

### Line 1

You are not required to attach copies of Schedule A (Form 8847) to your tax return, but you may do so. You must keep all original Schedules A (Form 8847) for 3 years after the due date (including extensions) of your tax return for the last tax year in the 10-year credit period.

### Part II—Allowable Credit

The credit allowed for the current year may be limited based on your tax liability. Use Part II to figure the allowable credit unless you must file **Form 3800**, General Business Credit.

**Who must file Form 3800.** You must file Form 3800 if you have:

- More than one credit included in the general business credit (other than a credit from Form 8844 or 8884) or
- A carryback or carryforward of any of those credits.

See the instructions for Form 3800 to find out which credits are included in the general business credit.

### Line 11

See section 38(c)(4) for special rules that apply to married couples filing separate returns, controlled corporate groups, regulated investment companies, real estate investment trusts, and estates and trusts.

### Line 12

Although you may not owe alternative minimum tax (AMT), you generally must still compute the tentative minimum tax (TMT) to figure your credit. For a small corporation exempt from the AMT under section 55(e), enter zero. Otherwise, complete and attach the applicable AMT form or schedule and enter the TMT on line 12.

### Line 15

If you cannot use part of the credit because of the tax liability limit (line 14 is smaller than line 4), carry the unused credit back 1 year then forward up to 20 years. See the instructions for Form 3800 for details.
